PEEKABOO PIANO · ANDROID APP ILVACIO SOLUTION

Peekaboo Piano

& Friends

Tap the friends that pop up and play the piano

A piano you play like a whack-a-mole game. No sheet music needed: follow the glowing friends and you will play a whole piece from the classic Beyer method. Children play, grown-ups listen — together.

What you can do

🐾 Play with friends

The friend whose turn it is glows. Tap it to move on — the game waits for you.
